User Manual

Sunnylife Floating Grip for Action Cameras

Description

The Sunnylife floating grip is an indispensable accessory for divers, surfers, and all water sports enthusiasts. Thanks to its buoyancy, it protects the camera from sinking while providing a stable and comfortable grip during filming in water.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
