

Τσάντα Sunnylife για το OSMO 360 Standard Combo

Sunnylife · EAN 5907085529288

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife Bag for OSMO 360 Standard Combo

Description

The Sunnylife Standard Combo Bag is a bag designed specifically for the DJI Osmo 360, allowing you to conveniently and safely transport the camera along with essential accessories. With a thoughtful interior organization, you can be sure that every item has its place.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
