Sunnylife · EAN 5907085529332

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife Base for OSMO 360 Camera

Description

The Sunnylife OS-DZ025 silicone car mount is a useful accessory for any filmmaker working with the DJI Osmo 360. With the adhesive tape on the bottom, it provides stable mounting of the camera in the vehicle, allowing for simultaneous charging and keeping the device in a vertical position. The soft silicone construction protects the camera housing from scratches, and the smooth surface makes cleaning easier.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
