User Manual

Sunnylife Magnetic Frame with Lens Cover for Insta360 X5

Description

The Sunnylife X5-BK012 magnetic frame is a useful accessory for any creator working with the Insta360 X5 camera. Made from a durable aluminum alloy, it offers effective protection against scratches and impacts while weighing only 55 g. The magnetic interface allows for quick switching between vertical and horizontal orientation, and the included silicone lens cover provides additional protection for the equipment.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.
