Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife Protective Case with Strap and Lanyard for Osmo Pocket 3

Description

The Sunnylife protective case for Osmo Pocket 3 provides secure storage for filters, SD cards (Secure Digital, memory card standard), as well as the camera itself, thanks to its magnetic design, soft insert that protects against scratches and shocks, and silicone strap stabilizing the cover. The integrated flap effectively protects the gimbal and body while allowing quick access to the device. The set includes a lanyard that enhances comfort and safety during use, and the case does not restrict charging or using mounts. The Sunnylife accessory is a versatile and practical solution for everyday use.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another

specialist.
