Sunnylife · EAN 5907085529387

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife BK03 Quick Release for OP 3

Description

The Sunnylife BK03 quick release for the Osmo Pocket 3 camera is a versatile adapter with a 1/4" thread, cold shoe mount, and a foldable 2-plug handle, allowing you to connect your camera to various accessories such as bike mounts, extension poles, lights, or microphones. The cat-ear shape facilitates quick mounting, and compatibility with the Sunnylife AD82 adapter expands the number of available connections. The quick release works with the original protective cover and Sunnylife K933/K990 cases, and the built-in soft pads protect the device from scratches and shocks, ensuring complete safety during recording.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
