User Manual

Quick Mounting 1/4" Cat Ear Mount by Sunnylife for OP 3

Description

Sunnylife 761V2 is a magnetic mount for DJI Osmo Pocket 3 that provides stable attachment thanks to six built-in magnets, allowing for safe recording even during intense activities. The mount is multifunctional – it can be used as a tabletop tripod, a vlogging handle, for car rides, or for time-lapse shots. Equipped with a 1/4" socket, a foldable dual-plug mount, and a cold shoe adapter, it offers extensive expansion possibilities. Strong adhesive tape and metal mounting plates allow installation on various surfaces, while soft inserts and an anti-slip pad protect the camera from shocks and scratches.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
