User Manual

Magnetic Mount Adapter Sunnylife 761V3 for OP 3

Description

The Sunnylife 761V3 magnetic adapter for the Osmo Pocket 3 camera is a versatile accessory that provides quick mounting thanks to its distinctive cat-ear shape and strong magnets, ensuring stability even in dynamic conditions. It offers extensive mounting options, including a 1/4" thread, a foldable dual-plug handle, and a cold shoe connector for attaching microphones and lighting. It can serve as a tabletop tripod, is suitable for vlogging, time-lapse shots, and car mounting. It is compatible with original and colored Sunnylife covers, and soft pads protect the camera from shocks. The package includes metal plates with strong adhesive and a wrench for tightening the mount.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our

customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
