Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife 754V3 Protective Case for DJI Osmo Pocket 3

Description

The Sunnylife 754V3 case provides full protection for the DJI Osmo Pocket 3 camera thanks to the soft silicone that protects the body and lens from scratches and shocks. The built-in magnetic slot allows for convenient storage of filters, while the integrated design simultaneously protects the gimbal, screen, and lens. Quick mounting and dismounting facilitate everyday use. The case is compatible with Sunnylife mounts from the 761 series and adapters BK013 and BK016, and when attached, it can be safely stored in the Sunnylife B018 case.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
