
Mount Sunnylife AirTag for Drones

Sunnylife · EAN 5907489605809

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Sunnylife
Sunnylife AirTag Holder for DJI Drones (TY-Q9354)

Description

This practical holder from Sunnylife is compatible with various models of drones and has been specifically designed for AirTag trackers. The use of high-quality adhesive ensures incredible stability for the accessory. The product is also very easy to install.

Intended use

For safety and certification reasons, the product must not be modified or altered in any way. Using it for purposes other than those described may cause damage. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety usage instructions.

Please read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service or another specialist.

Specification
