Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Sunnylife

Set of 3 CPL+ND8+ND16 Filters Sunnylife for DJI Mini 3 Pro (MM3-FI415)

Description

The set includes a CPL filter, ND8, and ND16. With their help, you can also adjust polarization effects. The lightweight design does not affect the drone's flight, and the solid construction translates into the product's durability against damage and resistance to liquids.

Intended Use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in a bathroom, etc., must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If there are any questions not answered in this manual, please contact our customer service office or another specialist.
