WARNING	1
T26/T26-S	1
T35/T31	2
T60/T60-A	3
T65/T56	4
T39	5

WARNING:

1. Do not shine directly in the eyes, the powerful LED light will damage the eyes immediately.
2. If the battery is not used for a long time, please charge and discharge it every 3 months to keep the battery in good condition.
3. It is normal to use the lights for a long time to heat up.
4. When the indicator light shows low power, please charge the battery as soon as possible.
5. To avoid damage to the surface of the camping lamp, please do not expose the flashlight to sunlight, water, chemicals, corrosive gases or any other oxidizing environment frequently.
6. Before use, please tear off the transparent film on the battery surface before use.
