Telesin Backpack Strap Mount with J-hook for Action Cameras (GP-BPM-003)

Description

Free your hands and create original shots while biking, conquering mountain peaks, or skiing. The Telesin hook-and-loop strap allows for a stable attachment of the action camera to your backpack. The included J-hook mount provides you with plenty of options for using the accessory.

Intended Use

It is intended for indoor use only. Using the device outdoors is not permitted. Contact with moisture, e.g., in the bathroom, etc., must be unconditionally avoided. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than described, it may be damaged. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service or another specialist.
