
Helmet mount Telesin for sports cameras (GP-HBM-MT2)

Telesin · EAN 6972860171265

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Telesin helmet mount for action cameras (GP-HBM-MT2)

Description

The helmet mount for action cameras and phones allows you to create even more interesting shots. Made from high-quality materials, it will surprise you with its durability. An additional layer of silicone and anti-slip bumps provide exceptional stability. The foldable up to 180° and rotatable design of the product allows for convenient and secure mounting on any type of helmet. The Telesin mount is also compatible with a range of action cameras and phones.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference. The safety instructions contained in the manual must be read and followed.

1. The product is not a toy. Keep it out of the reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
