Telesin · EAN 6972860171364

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Telesin protective film for screen and lens for GoPro Hero 12 / 11 / 10 / 9 (GP-FLM-902)

Description

Ensure comprehensive protection for your GoPro action camera. The Telesin GP-FLM-902 set includes protective film for both screens and the lens, effectively safeguarding them from damage. You also don't have to worry about loss of image quality or difficulty using the camera - the product has been designed to allow for smooth touch operation.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
