Double J-Hook Mount for Action Cameras (GP-MTB-T02-BK)

Description

Equipped with a standard 1/4" thread, the double J-Hook mount for action cameras gives you greater flexibility and freedom while recording. It is compatible with a range of devices - from GoPro to DJI Osmo Action. With it, you can attach additional accessories to your equipment, such as a tripod or selfie stick. This way, you can quickly change your filming method when needed. For example, you can use this practical accessory together with a backpack mount to conveniently record alternately from a first-person view or from your hand. Easy to use and durable - see how much it can simplify your work!

Intended Use

It is intended for indoor use only. Using the device outdoors is not permitted. You must unconditionally avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device cannot be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, does not function properly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.
