

Diving Mask Telesin with detachable mount for sports cameras

Telesin · EAN 6972860176192

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Telesin

Telesin Snorkeling Mask with Detachable Mount for Sports Cameras

Description

Record innovative underwater videos with the Telesin snorkeling mask. The product is equipped with a detachable mount for sports cameras. Made of durable tempered glass and soft silicone, it provides clear vision underwater and is highly durable. It allows for immersion up to a depth of 40 m and is widely compatible with GoPro, Xiaomi, DJI cameras, and more!

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Guidelines

You must read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against reuse.

5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.

6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.

7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
