
Mount adapter Telesin 1/4" for sport cameras (GP-TPM-T04)

Telesin · EAN 6974944467066

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Telesin

Telesin tripod adapter with 1/4" thread for action cameras (GP-TPM-T04)

Description

The Telesin 1/4" tripod adapter is designed for action cameras. It allows you to equip your action camera with a handlebar mount, tripod, or other accessory. Expand the functionality of your device by providing yourself with more options!

Intended use

It is intended for indoor use only. Using the device outdoors is not permitted. You must unconditionally avoid contact with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety usage instructions.

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.

Specification
