Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Telesin

3m Carbon Fiber Selfie Stick Telesin GP-MNP-300-3

Description

Do you want to create amazing shots? Or perhaps you want to capture a large group of people in a photo?

With TELESIN, this will not be a problem! This selfie stick allows you to capture unforgettable moments, even underwater. Made from the highest quality materials, it will not only be durable and reliable but will also serve you for a very long time. With the ability to adjust the height

in 8 stages, you can customize its length to your needs. See how easy it is to capture beautiful moments!

Intended use

It is intended for indoor use only. Using the device outdoors is not permitted. You must unconditionally avoid contact

with moisture, e.g., in the bathroom, etc. For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Furthermore, use contrary to its intended purpose may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety usage tips.

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office or another specialist.
