

TELESIN neckband for sports cameras and phones

Telesin · EAN 6974944460623

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

TELESIN Neck Strap for Action Cameras and Phones

Description

Take your audience right into the action! The TELESIN strap with magnetic attachment is a convenient solution for those who want to show others their perspective. With its flexible silicone construction and support for a wide range of action cameras and smartphones, it is the perfect accessory for outdoor activity enthusiasts such as mountain climbing, cycling, skiing, or travel vlogging.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
