Waterproof case TELESIN for DJI Osmo Action 4/3

Description
Capture the beauty of the underwater world. Designed for the DJI Osmo Action 4/3, the Telesin waterproof case allows you to safely submerge the camera to a depth of up to 45 m and protects it from damage. The accessory perfectly fits the shape of the device, and thanks to the included anti-fog inserts, it helps prevent condensation on the lens. Now you can effortlessly achieve excellent results!

Intended use
For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.
