

Magnetic two claw adapter for DJI Action 4/3 Camera

Telesin · EAN 6974944460982

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Telesin Mount for DJI Action 4/3 Camera

Description

Gain a new perspective in your recordings with the Telesin adapter. Designed for DJI Action 4/3 cameras, it guarantees quick mounting in the holder using a powerful magnetic base, ensuring the stability and safety of your device. The metal clip provides additional security, protecting the device from unwanted drops, ensuring reliability in all conditions.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
