Battery cover TELESIN for GoPro 12/11/10/9

Description

Now you can confidently record video while charging the camera – regardless of the weather. The TELESIN cover for GoPro 12, 11, 10, or 9 is equipped with a special seal that ensures its waterproofness. This means you don't have to worry about water getting inside the device – rain or snow won't be a problem! Moreover, the accessory is designed in such a way that it allows for convenient power connection – thanks to a perfectly fitted opening. An additional advantage of the cover is the soft foam padding, which absorbs shocks and further protects the camera's battery from damage. The product is also very easy to install.

Intended use

Using the product for unintended purposes may cause damage to the product and pose a risk to health and life. The product should be protected from extreme temperatures, direct sunlight, and high humidity. If there are any doubts regarding usage or safety, please consult a qualified professional.
