

Magnetic quick mount kit for Telesin sports cameras

Telesin · EAN 6974944461149

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Magnetic Quick Mount Set for Sports Cameras Telesin

Description

The Telesin Magnetic Quick Mount Set is an innovative solution for active individuals who want to capture their experiences from various perspectives without having to hold the camera in their hands. With strong magnets and a modern mounting system, this set offers quick mounting and dismounting of sports cameras, allowing for the free creation of dynamic shots in any situation.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
