

Set of magnetic TELESIN holders for action cameras

Telesin · EAN 6974944461156

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

TELESIN Magnetic Mount Set

Description

The TELESIN Magnetic Mount Set is an innovative solution for photography and video recording enthusiasts. Thanks to its versatility and ease of use, these mounts are ideal for those looking to capture unique shots from various perspectives, both vertically and horizontally. This set allows for quick changes of shots and seamless transitions from one recording mode to another, making it an excellent choice for active individuals and content creators.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specifications

Model: TE-MMK-002

Product dimensions: Lanyard dimensions: 340-610 mm, Magnetic board dimensions: 85 * 55

* 28 mm

Product weight: 70g

Load capacity: 300g

Material: PC plastic, stainless steel, strong NdFeb magnet
