
Telesin magnetic selfie stick for Iphone 12-16

Telesin · EAN 6974944461729

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Telesin Magnetic Selfie Stick

Description

The Telesin Magnetic Selfie Stick is a unique tool for photography and videography enthusiasts who value functionality and convenience. Thanks to the magnetic mounting system, the Telesin selfie stick provides stable and secure mounting for smartphones, including iPhone 12 and newer models, without the need for traditional clips. The product is designed for ease of use, reliability, and versatility, offering many possibilities for everyday use and during travel.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product from further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
