Telesin · EAN 6974944461736

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User manual

Telesin

TELESIN bag for Insta360 GO3 camera

Description

This compact product meets safety needs during the storage and transport of your valuable camera. The sturdy EVA foam protects the device from all sides, while the soft interior safeguards it against scratches. The outer fabric gives the whole a stylish character, making the bag a great accessory for any user of this compact camera.

Intended use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety usage instructions

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
