Mounting Base TELESIN for Insta360 GO 3

Description

Gain a unique perspective and create plenty of interesting shots. The TELESIN magnetic base allows you to securely attach the Insta360 GO 3 camera to any metal surface – for example, to a railing, refrigerator, or car. It's an excellent way to record engaging video material! The accessory is also very easy to install and durable. It is also compatible with other mounts (such as for phones) that are sold separately.

Intended Use

Using the product for unintended purposes may cause damage to the product and pose a risk to health and life. The product should be protected from extreme temperatures, direct sunlight, and high humidity. If there are any doubts regarding usage or safety, please consult a qualified professional.
