# Magnetic neck mount TELESIN for cellphones

Telesin · EAN 6974944462016

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Telesin

Magnetic Neck Mount TELESIN for Mobile Phones

Description

Record even more comfortably from a first-person perspective. The mount features a sturdy construction, thanks to the use of high-quality materials. Additionally, it is lightweight, and the silicone strap will not cause discomfort while wearing. Moreover, you can adjust the smartphone's position horizontally or vertically. The mount is compatible with iPhones from the 12 series or newer and with cases that have MagSafe functionality. You can also attach other smartphones to it – just clip the magnetic ring (included) to them.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
