Quick Mount Holder TELESIN

Description

Now you can mount various accessories on your action camera even more conveniently. The TELESIN adapter set will allow you to do this! It includes a mount with a 1/4 inch hole, two mounts with two pins, a magnetic holder for quick installation, and a locking screw. The accessories are very easy to install and exceptionally compact – you can always have them on hand. Moreover, thanks to the thoughtful design, they will provide your device with the necessary stability and safety. With them, you can easily attach the camera to, for example, a tripod or a backpack holder!

In the set

- Magnetic quick mount holder with three pins
- Mount with two pins
- Mount with a 1/4 inch hole
- Locking screw

Intended Use

Using the product for unintended purposes may cause damage to the product and pose a risk to health and life. The product should be protected from extreme temperatures, direct sunlight, and high humidity. If there are any doubts regarding usage or safety, please consult a qualified professional.
