Telesin · EAN 6974944462269

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Brand: TELESIN

Storage Bag for Telesin EVA for DJI Osmo Pocket 3 Camera

Description

Take care of your equipment's safety and make it easier to keep organized. The dedicated Telesin EVA bag has been designed specifically for the DJI Osmo Pocket 3 camera – it is exceptionally durable, and thanks to the available compartments, it allows for optimal organization of space and ensures stability for the devices stored within it.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. If the product is used for purposes other than those described, it may be damaged. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Tips

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
