User Manual

Telesin Handlebar Mount for Action Cameras

Description

The Telesin handlebar mount is a unique accessory designed for users of action cameras who need a reliable and easy-to-install solution for capturing excellent shots while riding. With its innovative quick-release system and sturdy aluminum construction, this mount allows for free recording of dynamic scenes in any situation. Whether you are a cyclist, motorcyclist, or using a scooter, the Telesin mount will provide you with full stability and freedom to position your camera.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
