User Manual

Telesin Multifunctional Silicone Mount for Action Cameras

Description

The Telesin multifunctional silicone mount in gray is the perfect accessory for all extreme sports enthusiasts and action camera users. Thanks to its innovative quick-mount system, this mount offers fast and easy attachment of GoPro, DJI, Insta360, and other cameras to various surfaces. Made from flexible silicone, it provides maximum stability and safety, regardless of the conditions. The mount is not only functional but also skin-friendly and environmentally friendly, making it an excellent choice for those who care about comfort and ecology.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another

specialist.
