# Magnetic neck mount TELESIN for Iphone 12-16 MNM-002

Telesin · EAN 6974944462856

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

TELESIN Magnetic Neck Mount for Mobile Phones MNM-002

Description

Discover how easy and convenient it is to record your adventures with the TELESIN MNM-002 Magnetic Neck Mount. Thanks to its magnetic design, you can enjoy the freedom you've always dreamed of and create dynamic first-person perspective shots using your smartphone. It is directly compatible with iPhones from the 12 series and newer or with cases that have MagSafe functionality, and with the included magnetic plate, the mount is also compatible with Android phones.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, please consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another

specialist.
