TELESIN flexible tripod for phones (black)

Telesin · EAN 6974944462962

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

TELESIN Flexible Tripod for Phones

Description

The tripod allows you to capture perfect shots from almost any perspective. With flexible legs that can easily wrap around various objects, it is ideal for both indoor and outdoor use. Whether you want to capture the beauty of nature, create a dynamic vlog, or take the perfect selfie, this tripod will adapt to any situation, ensuring stability and safety for your smartphone.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: https://innpro.pl/) or another specialist.
