

TELESIN flexible mount for phones (blue)

Telesin · EAN 6974944463105

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

TELESIN Flexible Mount for Phones

Description

The TELESIN mount allows you to create amazing shots from unusual perspectives using your smartphone. Designed for versatility, it enables convenient use of the phone in any conditions, as well as stable placement in unconventional locations. The magnetic, ultra-lightweight design makes it easy and enjoyable to use.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
