

Filtr CPL 58mm Telesin do iPhone 15 Pro/Pro Max

Telesin · EAN 6974944463198

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

CPL Filter 58mm Telesin for iPhone 15 Pro/Pro Max

Description

Create dynamic, stunning photos with your smartphone. The 58mm TELESIN CPL filter is an accessory designed specifically for users of the iPhone 15 Pro and 15 Pro Max. Designed for use in conjunction with the TELESIN case with a magnetic frame (sold separately), it offers precise control over exposure, allowing for professional effects in mobile photography.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
