User Manual

Telesin Plastic Mounting Frame for Insta360 X4

Description

The Telesin mounting frame is a solid accessory specifically designed for the Insta360 X4 camera. Made from high-wear-resistant materials such as ABS and PC, it provides reliable protection and durability. With its one-piece construction, it fits snugly to the camera, effectively protecting it from impacts and scratches. The frame is also equipped with cutouts that allow for quick heat dissipation, preventing the device from overheating during intensive use.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

Please read and follow the safety guidelines contained in the manual.
