

TELESIN

FOR A3/A4 Charging Case 充电盒

USER GUIDE/使用指南

Product introduction

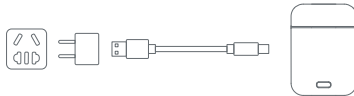

The main function of the multi-functional battery box is to charge the sports camera battery and check the battery level of the camera battery without connecting to the power supply. It can charge 3 batteries at a time and also store 2 TF cards.

- ① TF cards slot
- ② Battery charging slot
- ③ Power indicator
- ④ Type-C charging port

How to use

Please put the battery into the battery slot, then connect the charging case with the Type-C cable and plug it in to charge.

Check the power level (Unplugged power status)

- * Put in the battery, the LED light directly shows the power level.
- * If the battery is already in the box, open the upper lid and the LED light will directly display the charge level.

	One light flashing	< 30%power
	One light solid white	≈30%power
	Two lights solid white	≈50%power
	Three lights solid white	≈75%power
