

Telesin magnetic tabletop mount phone stand

Telesin · EAN 6974944463341

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Magnetic Phone Stand Mounted on a Table Telesin

Description

Create professional shots with your phone more easily. Attach it to a table and freely record videos or conduct online broadcasts. The magnetic mount provides stability and quick readiness for recordings, while the versatile adjustment allows you to achieve exactly the frame you plan. Moreover, the foldable design of the stand allows you to pack it effortlessly and take it anywhere you need. The stand works with additional accessories, such as lighting, allowing you to refine your recordings in every aspect.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Read the user manual carefully and keep it for future reference.

Safety Usage Tips

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
