

TELESIN 2-slot charger + card storage for Insta360 X4

Telesin · EAN 6974944463402

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

2-Slot Charger + TELESIN Card Storage for Insta360 X4

Description

The charger designed specifically for the Insta360 X4 camera is a practical accessory that allows simultaneous charging of two batteries and storage of TF memory cards. It renews battery power in just 75 minutes, thanks to support for PD3.0 technology. Additionally, the charger is small and lightweight, making it easy to carry, and the indicator light allows for a quick check of the charging status.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

Safety Usage Guidelines

You must read and follow the safety guidelines contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), stop using it and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding the operation, safety, or connection of the product, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.

Specifications

Model: S0-BCG-07-TIS

Weight: 84g

Dimensions: 76 x 60 x 43 mm

Input Voltage: 5V/3A, 9V/3A, 12V/2A (fast charging)

Output Voltage: 4.4V/3A

Operating Temperature: 0°C ~ 40°C

Charging Time: 75 min (must use a 12V/2A adapter or higher voltage)

Manufacturer: ShenZhen Telesin Digital Co., Ltd

Address: Room 526, 5/F, Block B, Bairuida Building, Vanke City Community, Bantian Street, Longgang District, Shenzhen, Guangdong, China

ENVIRONMENTAL PROTECTION

Used electronic equipment marked in accordance with the European Union directive must not be disposed of together with other municipal waste. It is subject to selective collection and recycling at designated points. By ensuring its proper disposal, you prevent potential negative consequences for the natural environment and human health. The collection system for used equipment complies with locally applicable environmental protection regulations regarding waste disposal. Detailed information on this can be obtained from the municipal office, waste management facility, or the store where the product was purchased. The product meets the requirements of the so-called New Approach directives of the European Union (EU) regarding safety, health protection, and environmental protection, identifying hazards that should be detected and eliminated.
