Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Telesin Mount for Insta360 X4 / X5 Camera

Description

The mount is dedicated to the Insta360 X4 camera and provides convenience for everyday use.

Equipped with a ¼" thread input, it is compatible with various accessories. It guarantees stable

mounting, and thanks to its thoughtful design, it is ideal for both dynamic shots and regular recordings.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way.

Using the

product for purposes other than those described may result in damage to the product.

Additionally,

improper use may pose hazards. Please read the user manual carefully and keep it for future reference.

You must read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service

office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
