Buoyancy Handle/Tripod TELESIN for Action Cameras

Description:

TELESIN has created a universal solution for fans of extreme sports, diving, and all outdoor activities. This single product combines as many as four functions – it can serve as a buoyancy handle, a telescopic selfie stick, a tripod, and a classic grip. This gives you complete freedom to record in any conditions – on land and underwater – without the need to carry several different accessories.

Included in the package

- buoyancy handle
- wrist strap
- screw
- user manual
