CPL/ND8/ND16/ND32 Filter Set Telesin for Insta360 Ace Pro 2 / Ace Pro User Manual

Description:

The Telesin CPL/ND8/ND16/ND32 filter set for Insta360 Ace Pro 2 and Ace Pro cameras is designed to achieve maximum image quality in various lighting conditions. The use of ND filters allows for precise exposure control – ND8 is suitable for cloudy days, ND16 for bright daylight, and ND32 enables motion blur effects even in full sunlight. Additionally, the CPL filter reduces glare and improves contrast and color saturation, which is particularly useful for landscape photography and shots taken in water or through glass.

Included in the set:

- ND32 Filter
- ND16 Filter
- ND8 Filter
- CPL Filter
- Filter Case
- Cleaning Cloth

Specification:
