Motorcycle Mount Telesin for Action Cameras

User Manual

Description:

The Telesin motorcycle mount is a reliable accessory for riding and recording enthusiasts. With it, you can effortlessly capture exciting moments of your journey – both from the front and the back of the motorcycle. It allows for first-person perspective recording, route tracking, and even taking selfies while riding. This is the perfect solution for anyone who wants to share their adventures by recording from various angles.

Specification: Included

- motorcycle mount
- mounting screws
- 1/4" threaded gimbal
- storage bag
- user manual
