Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Telesin Aluminum Protective Case for Insta360 X5

Description

The Telesin aluminum protective case for Insta360 X5 is precisely crafted to shield the camera and lenses from damage while offering convenient accessory mounting with ¼" threads. Ideal for active users, vloggers, and filmmakers who want to capture dynamic shots without worrying about the safety of their equipment.

Intended Use

For safety and certification reasons, the device must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Furthermore, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, fumes, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), discontinue use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
