Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Protective Case with Handle Telesin for DJI Osmo Action 3/4/5

Description

The Telesin protective case for DJI Osmo Action 3/4/5 is a robust, precisely designed construction made of silicone and aluminum alloy. It provides a stable grip, quick access to buttons, and convenient operation during recording. The lightweight yet durable design protects the camera while enhancing comfort during outdoor use.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is important to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning properly), discontinue use and secure the product to prevent further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions that are not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
