Phone Holder Telesin Master iPhone 17 Pro Max

User Manual

Description

Telesin Master is a multifunctional holder for the iPhone 17 Pro Max, allowing for more convenient operation of the smartphone while photographing and filming. The ergonomic design inspired by cameras increases grip stability, and the built-in 3200 mAh battery with wireless fast charging extends the phone's operating time during recording. The set also includes a phone case, a magnetic lamp, and UV and Black Mist 1/4 filters, giving you a complete set of accessories for mobile creation right away.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may damage the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not expose the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), stop using it and secure the product against reuse.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
