

Αδιάβροχη προστατευτική θήκη Telesin για το DJI Osmo Action 6

Telesin · EAN 6974944466861

Machine translation from Polski. In case of doubt the manufacturer's original document prevails.

User Manual

Waterproof Protective Case Telesin for DJI Osmo Action 6

Description

The Telesin waterproof case for DJI Osmo Action 6 is designed for demanding water applications such as snorkeling, surfing, or diving. The sealed construction allows for free underwater recording while ensuring the safety of the equipment and stable video quality. The accessory allows you to confidently submerge the camera to a depth of up to 60 m and is very easy to install.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Additionally, improper use may pose hazards. Please read the user manual carefully and keep it for future reference. It is essential to read and follow the safety instructions contained in the manual.

1. The product is not a toy. Keep it out of reach of children and pets.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapors, and solvents.
3. Do not subject the product to mechanical loads.
4. If safe operation is no longer possible (the product is damaged, not functioning correctly), cease use and secure the product against further use.
5. Handle the product with care. Shocks, impacts, or dropping the product may cause damage.
6. If there are any doubts regarding operation or safety, consult a qualified professional.
7. If you have any questions not answered in this manual, please contact our customer service office (email: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
