

User Manual

Tomtoc Navigator-T61 Laptop Travel Backpack, 25–30 L / 17.3"

Description

The Tomtoc Navigator-T61 is a versatile backpack that works well for daily commutes to work or school, as well as for travel. The adjustable roll-top design allows you to increase the capacity from 25 to 30 liters, so you can comfortably adjust the amount of available space to your current needs. The backpack features a spacious main compartment, a padded compartment for a laptop up to 17.3 inches and a tablet, as well as quick access to contents without having to open the entire compartment. The entire backpack is made of durable 1680D recycled polyester, which effectively protects the contents from splashes.

Intended Use

For safety and certification reasons, the product must not be modified or altered in any way. Using the product for purposes other than those described may result in damage to the product. Improper use may also cause hazards. Read the user manual carefully and keep it for future reference. Always read and follow the safety instructions contained in this manual.

1. The product is not a toy. Keep it out of reach of children and animals.
2. Protect the product from extreme temperatures, direct sunlight, strong vibrations, high humidity, moisture, flammable gases, vapours and solvents.
3. Do not subject the product to mechanical stress.
4. If safe operation is no longer possible (the product is damaged or does not work properly), stop using it and secure it against unintended use.
5. Handle the product with care. Shocks, impacts or dropping the product may cause damage.
6. If in doubt about the operation or safety of the product, consult a qualified specialist.
7. If you have any questions that are not answered in this manual, please contact our customer service (e-mail: hurt@innpro.pl, website: <https://innpro.pl/>) or another specialist.
